

THE LION'S ROAR

THE OFFICIAL NEWSLETTER OF LIBERTY ELEMENTARY SCHOOL

Week Recap

Our students had a wonderful first full week of camp! Students have been working hard to improve their reading and math skills in the morning. In the afternoons, they enjoy fun activities such as soccer, lacrosse, photography, music, theater, and more!

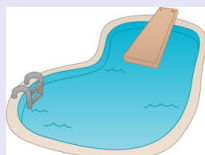

Jewish Museum

We are incredibly excited to kick off our field trips this summer! On Tuesday, the Jewish Museum of Maryland will be bringing a Houdini Magic Performance right to Liberty Elementary. Our 2nd-4th graders will then have the opportunity to take a trip to the Jewish Museum on Wednesday.

Pool Days

Pool days are still happening on Wednesday (K-2nd) and Friday (3rd and 4th). Remember to bring appropriate swimming attire, be safe and have fun!

Hot Skates

All of our students will be going to Hot Skates on Thursday! We know that our kids will have an incredible time. Please remind your kids to continue practicing the three R's and by coming to camp Ready, Responsible, and Respectful each day!
