## Week 3

We're halfway through summer camp! Keep an eye out for more information on our End of Summer BBQ and Showcase. As the summer starts to wind down, please remind your kids to continue practicing the three R's and by coming to camp Ready, Responsible, and Respectful each day!

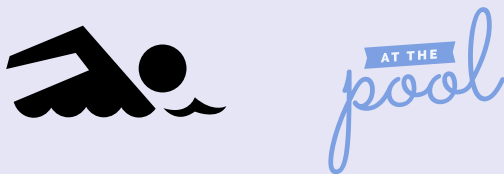

## Glow Dance

We are incredibly excited to have our Glow Dance on Tuesday! We will have glowsticks for all of the students, cool lighting, and great music. The dance will be taking place from 3:45-4:30pm at the Liberty Rec Center.

## Pool Days

Pool days are still happening on Wednesday (K-2nd) and Friday (3rd and 4th) from 1pm to 3pm. Remember to bring appropriate swimming attire, be safe and have fun!

## Field Trips

Last week, our older students watched the Houdini Magic Performance and visited the Jewish Museum. Many of our students also had a fun time at Hot Skates. Our summer trips aren't finished - our students are going to the movies on the 31st!
